Jamie Fish is coming off the board after four years of service. We appreciate all that Jamie has done to manage our roads and snow plowing during this time and in her previous terms on the board.

Nominating Committee: Chair Steven Padley, Peggy Smith, and Susan Keller.

The 2024 Nominee is:

Mary Smith, 124 Continental Dr.

I moved to Kingwood in January 2013 after retiring from the City of Milwaukee Environmental Health Department where I was a field supervisor. Leaving a northern city and moving to Kingwood was the best decision I ever made! I enjoy traveling, walking (often with doggy company), gardening, and sharing wine and conversation with friends. I served as the KPOA secretary from May 2013 - May 2015, and I stepped in as Vice President/Social Chair in September 2019 through May 2021, when there was a vacancy on the board.
